

# **Lena, IL. Event Setup & Workdays**

**WOTA & NITRO is looking for volunteers to help with setup of sections and the loop for our upcoming events coming October 10 & 11. Due to a full schedule of events in September, our clubs only have two weekends free to finish up.**

**The more help we have, the better the event. Those who are new to trials can benefit from setting up sections. This can teach you what to look for and how to read the sections, thus lowering your scores during competitions. Bring your loppers, string trimmer, four-wheeler with (helmet), trials bike (with helmet) or other equipment. Let's make it happen!**

**Available workdays:**

**September 5<sup>th</sup> & 6<sup>th</sup> (Saturday & Sunday), 10:00 AM - ?**

**October 3<sup>rd</sup> & 4<sup>th</sup> (Saturday & Sunday) 10:00 AM - ?**

**If you have some free weekdays, let us know ahead of time so we can approve it with the landowner and join you at Lena.**

**Contact:**

**Warren Lange 815-703-6555**

**Kevin Huber 319-330-6700**

**DIRECTIONS: 8835 Route 73, Lena, IL. 61048**
